Re: EMT PD Appointment/Acceptance

Dear Carrie Gilliland:

Raven Medical, Inc. is delighted to appoint Carrie Gilliland to serve as EMT Program Director effective August 30, 2024.

Mrs. Gilliland appears to meet the following EMT Program Director qualifications as validated by their current curriculum vitae, state and National Registry licensing, and official transcripts.

Qualifications - The Program Director must:

- Possess a minimum of a bachelor's degree.
- Possess a North Carolina Paramedic license.
- Be credentialed in North Carolina as a level II EMS Instructor.
- Have appropriate medical or allied health education, training, and experience.
- Be knowledgeable about methods of instruction, testing, and evaluation of students.
- Have field experience in the delivery of out-of-hospital emergency care.
- Have academic training and preparation related to emergency medical services at least equivalent to that of a paramedic.
- Be knowledgeable about the current versions of the National EMS Scope of Practice and National EMS Education Standards, and about evidenced-informed clinical practice.
